SDS Submittal for Nameplates and/or Decals

Eastern Etching & Mfg. is exempt from the requirements for a Safety Data Sheet for its products as those products are defined as an article under 1910.1200 (C), (i) (ii) (iii).

An article is defined as a manufactured item:

- (i) which is formed to a specific shape or design during manufacture**
- (ii) which has end use function(s) dependent in whole or in part upon its shape or design during end use**
- (iii) which does not release, or otherwise result in exposure to a hazardous chemical under normal use**

If you have any questions or would like additional information please feel free to contact us.
